

Welcome

MISA's mission is to provide members an opportunity to meet their counterparts in local and state governments to discuss developments and achievements in technology. MISA is dedicated to providing educational resources and opportunities to assist in the career growth and development of its members and guests.

MISA Committees

If you would like to join any of our committees: IT Excellence Award, Student Scholarship Award, Annual Conference Planning and Annual Golf Outing Planning, please email us at info@misasom.org.
